## From Brother Ross

Dear Alumni:

What a month we have had since the last issue of the *Scroll of the Prophets* made its way to you. In the event you have not been following the progress being made on the remodeling of the chapel, I hope you will take a few minutes to do so. I think you will be amazed at what has been accomplished. Let me take this opportunity to thank each of you that have been able to help in one way or another, either through your labor, your giving, or your prayers. We are nearing completion of the construction, but we are still in need of your financial support. Please continue to pray with us about the completion of this project.

My wife and I were recently privileged to make a visit to Ukraine, where we were able to spend time with our son-in-law Matthew, his wife Catherine, and their three children. We were there to participate in the dedication of the new building just completed for the church they established six years ago, Liberty Baptist Church.

On Sunday, September 12, we had a great service in which the new building was filled with members and visitors. Three ladies were saved in that service, including two ladies for whom the entire church had been praying for years. The tears shed by members were many, and since that day, there have been visitors in every service. This was the seventh location in which the church has met in the past six years. This building is their own, and it will no longer be

necessary for them to move. The realization of this truth has been a real source of joy to the people.

This has been a great month in the sense of having the privilege of listening to a number of our Alumni as they have come to preach in chapel. Praise the Lord for the wonderful week we spent with Missionary Bruce Rice. Brother Rice was here with us for the second full week of the fall semester. His messages were both timely and powerful.

We have had the additional blessing of hearing Missionary Allen Copeland, Evangelist Bill Smith, and Dr. Claude Madle. Our current students are always benefited in being able to put a face to a name. As our Alumni are mentioned in chapel, our students may or may not be familiar with their names. When they come through as they have in recent days, what a blessing it is for students to be able to meet our Alumni.

Please keep in mind the upcoming King James Bible Conference, October 24 – 27, 2010. We plan to have a big Alumni gathering and banquet during that time. We sure would love to see you there if at all possible.

God bless you. You are in our thoughts and prayers. I pray that it will not be long before our paths shall cross again.

Sincerely your friend and servant,

Robert A. Ross, Jr.
